

*Read to become free.  
Read and develop a critical mind.  
Read and open your heart to other  
horizons.*

*The Caravane du livre, this  
mobile venue of culture, has been  
making its way for years to the  
villages in the Upper Atlas and  
the oases, appealing in particular  
to young people. The aim is to  
promote books and culture, giving  
young people the chance to  
express themselves by using  
various implements for gaining  
knowledge.*

*This discussion forum, bringing  
together young people, authors,  
artists, social actors and  
journalists, facilitates the contact  
between many people, inviting  
them to share their ideas on  
various themes and to consider  
how to improve our cultural  
environment by dialogue.*
